## **Instructions:**

- Every student should choose an open course in the fifth semester.
- Students are not allowed to choose the open course offered by their own departments.
- Read the details of the courses before filling the Google Form.(Syllabus of each open course is attached. It is available in our College Website [www.stcp.ac.in](http://www.stcp.ac.in) also.)
- A maximum of eleven choices are allowed
- The selection will be based on the SCPA of First semester Examination.
- Please contact your class tutors for further details.
- If you have failed or did not write the first semester examination, your marks in plus two will be considered .But you will be selected after considering the students who have passed in the first semester examination.
