Give a year-wise report of the special programmes organized for Slow/Advanced learners during the years 2014-15, 2015-16, 2016-17, 2017-18, 2018-19.

### **Report of Special programmes organized for Slow/Advanced learners 2014-15**

A personal meeting with the students was utilized for understanding each student. For slow learners, their weak points hindering studies has been identified and special instructions were given to tackle those problems. The progress of the students was assessed during successive follow up meetings. A PTA was organized for those who require more parental attention. For advanced learners, special instructions were given to improve their performance. Also, they were instructed to prepare for several competitive examinations both for employment as well as higher studies. Both advanced and slow learners were assessed by asking instantaneous questions of their own merit levels during teaching. Slow learners those who are back benchers were bring to the front row for giving special care during teaching. Special instructions were given to both categories regarding their preparation of assignments, presentation of seminars and preparation of laboratory

records. Important areas in syllabus with respect to university exam were specially mentioned during the class itself. After completing the syllabus, previous year question papers were discussed in the class. Special classes and remedial classes were taken for those who needs additional care. Special time schedule was allotted to students during morning and evening in order to clarify their doubts. Invited lecture and workshop on Mellipona culture were organized for the students in order to develop communication, managerial and interpersonal skills. An aviary unit and aquariums were maintained by the students which help them in experiential learning.
