Dear Sir/Madam,

Greetings from St. Thomas College Pala, Kerala.

Thank you very much for granting permission to 8 students for doing Project Work at RCC Thiruvananthapuram. This year there was high demand from students for RCC and hence we request you to permit 4 more students to do the project work in your esteemed institute for 2-3 months w. e. from the last week of April 2019. They wish to get exposure in clinical research and data analysis in your reputed research institute/hospital using primary or secondary data from bio-statistical and epidemiological contexts under the guidance of the reputed Professors of Statistics/ Biostatistics / Epidemiology in your esteemed institute. We are sure that this will help them to get on the job training.

I request you to kindly grant permission to our students in their pursuit for excellence and professional development. It would be a great help and encouragement to them to become expert biostatisticians and researchers with wide exposure in the field. Expecting your reply as soon as possible,
Thanking you and with warm regards,

Yours faithfully,
