## Policy Document

on

### AWARD OF SCHOLARSHIPS AND FREESHIPS

St. Thomas College Palai is committed in the academic, social, personal, and economic wellness of our students, especially those who are coming from the rural areas and from economically backward families.

- Needy students who come outside the purview of the University fee concession are given considerable deduction in fee by the Management.
- The College instituted a free meal programme to the poor students and this is made operational through the Students amenity centre run by the Staff Cooperative Society. The names and other details of the needy students are collected through the class tutors, ensuring the secrecy of the same.
- Free books, uniforms and study materials are provided to the needy students. This is undertaken by the Cooperative Society in consultation with the Head of the Institution and the Management.
- The College occasionally mobilizes financial aid to meet medical contingencies of the stake holders.
- The Institution, the Management, different departments, agencies, forums and individuals have instituted various scholarships and endowments for students who excel in different areas.
- The College provides the sports students with travel allowance for participating in events held outside home station.
- Funds are allotted from PTA to meet the incidental expenses of the sports students.
